

Blameless Postmortem Canvas

Inspired by "Blameless Postmortems and a Just Culture" <https://codeascraft.com/2012/05/22/blameless-postmortems/>

1. Summary – <i>Impact to customer</i>	3. Detect - <i>How do we detect this problem or a problem like this sooner?</i> <i>Owners & Dates</i>	4. React - <i>How do we improve our reaction to issues like these?</i> <i>Owners & Dates</i>	5. Quick Fix - <i>How do we stop the bleeding faster?</i> <i>Owners & Dates</i>
2. Timeline – <i>Alerts, communication, monitor status, actions</i>			
	6. Prevent – <i>How do we prevent or reduce the impact of issues like this in the future?</i> <i>Owners & Dates</i>	7. Other Areas of Risk - <i>What other areas share this same vulnerability?</i> <i>Owners & Dates</i>
